

Dear Andrew

The timing of your telephone call on Friday was "wicked,"

I was sitting alone in a quiet room - fusing that the press attacked Sen. Edwards on the price of a hair cut, -

But it inspired me. - From now on, all hair cuts, etc. that are necessary ^{important} part of his campaign (sp?). Please send the bills to me - G. Alex Yarger in N. York. It is a way to help our friends without Government restrictions.

I see fealties coming from somewhere in this news reports.

With love & a big hug
to you & the Senator -
Much love.
